SALOME'S STARS

FOR RELEASE JULY 27, 2026

EDITORS: These horoscopes are for use the
week of AUG. 3, 2026.

ARIES (March 21 to April 19) A strong social whirl brings a new round of good times to fun-loving Rams and Ewes! Cupid's also busy aiming arrows at single Lambs who are hoping for a heart-to-heart encounter.

TAURUS (April 20 to May 20) A romantic incident could take a more serious turn if the Divine Bovine considers meeting Cupid's challenge. Meanwhile, a professional opportunity is also about to turn up!

GEMINI (May 21 to June 20) A bit of hardheaded realism could be just what the Twins need at this emotionally challenged time. Face the facts as they are, not as you want them to be. Good luck!

CANCER (June 21 to July 22) Many opportunities open up, but you need to be aware of their actual pros and cons. Check them all out and make your choice from those that offer more of what you seek.

LEO (July 23 to August 22) A more stable situation begins, allowing you to feel more secure about making important decisions. Meanwhile, be sure to meet your project deadlines so that you can move on to other things.

VIRGO (August 23 to September 22) Congratulations! A new personal relationship thrives as you learn how to make room in your busy life for this wonderfully warm and exciting emotional experience.

LIBRA (September 23 to October 22) A new contact opens some doors. This is the good news. But there's a caution involved: Be sure to protect your rights to your work before showing it to anyone.

SCORPIO (October 23 to November 21) A former colleague might seek to resume a working partnership. Ask yourself if you need it. If "yes," get more information. If "no," respectfully decline the request.

SAGITTARIUS (November 22 to December 21) Good times dominate your aspect. So, why not have a party to celebrate a loved one's success? And do invite a special person you want to get to know better!

CAPRICORN (December 22 to January 19) The shy side of the Sea Goat soon gives way to your more assertive self. This should help you when it comes time to speak up for yourself and your achievements.

AQUARIUS (January 20 to February 18) A new period of stability will help you deal with some recently reworked plans. Once you get your current tasks done, you can devote more time to personal matters.

PISCES (February 19 to March 20) Things are finally much more stable these days, so you can restart the process of meeting your well-planned goals with fewer chances of interruption or delay.

BORN THIS WEEK: You love being the brightest light wherever you are, and people love basking in your warmth and charm!
