SALOME'S STARS

FOR RELEASE AUG. 24, 2026

EDITORS: These horoscopes are for use the
week of AUG. 31, 2026.

ARIES (March 21 to April 19) As tensions ease on the home front, you can once again focus on changes in the workplace. Early difficulties are soon worked out. Stability returns as adjustments are made.

TAURUS (April 20 to May 20) A new romance tests the unattached Bovine's patience to the limit. But Venus still rules the Taurean heart, so expect to find yourself trying hard to make this relationship work.

GEMINI (May 21 to June 20) It's a good time to consider home-related purchases. But shop around carefully for the best price, whether it's a new house for the family or a new hose for the garden.

CANCER (June 21 to July 22) A contentious family member seems intent on creating problems. Best advice: Avoid stepping in until you know more about the origins of this domestic disagreement.

LEO (July 23 to August 22) A recent job-related move proves to be far more successful than you could've imagined. Look for continued beneficial fallout. Even your critics have something nice to say!

VIRGO (August 23 to September 22) Ease up and stop driving yourself to finish a certain project on a deadline that's no longer realistic. Your superiors will be open to requests for an extension. Ask for it.

LIBRA (September 23 to October

22) You should soon be hearing some positive feedback on a recent business move. Meanwhile, an old family problem recurs, but this time, you'll know how to handle it better.

SCORPIO (October 23 to November 21) Some surprising statements shed light on the problem that caused a once-warm relationship to cool off. Use this newly won knowledge to help turn things around.

SAGITTARIUS (November 22 to December 21) Your spiritual side is especially strong at this time. Let yourself be guided by it into deeper contemplation of aspects about yourself that you'd like to understand better.

CAPRICORN (December 22 to January 19) Your merrier aspect continues to dominate and attract folks who rarely see this side of you. Some serious new romancing could develop out of all this cheeriness.

AQUARIUS (January 20 to February 18) You're always concerned about the well-being of others. It's time that you put some of this concern into your own health situation, especially where it involves nutrition.

PISCES (February 19 to March 20) Just when you thought your life had finally stabilized, along comes another change that needs to be addressed. Someone you trust can help you deal with it successfully.

BORN THIS WEEK: You have a sixth sense when it comes to finding people who need help long before they think of asking for it. And you're right there to provide it!
